The Ladies' Wreath.

The design of this work is to furnish at a low rate, a Magazine which, as regards literary merit and mechanical execution, shall equal the best three dollar magazines. Each number will contain at least forty-eight (48) pages of reading matter, entirely original, from the pens of the most talented male and female writers of the day. One or more Splendid Steel Engravings will be given in each number, and also one of a series of Splendid Flora Engravings—richly colored, now in course of preparation—decidedly the most attractive series of embellishments ever given in any magazine. One or more pages of new and popular Music will be given in each number. It will be printed on new type, cast expressly for the purpose, upon fine white paper. The work has reached its third number, and thus far the result has proved that the design of publishing a magazine of superior literary merit and elegant execution, at the low price of One Dollar a year, could not be successful. Our subscription list is already double that of any other One Dollar Lady's Magazine, and hundreds are added each week.

New contributors, of known and acknowledged talent, have been secured, and the publishers are determined to spare no pains or expense in rendering the work every way worthy the patronage of the public.

PROSPECTUS

OF THE

JEFFERSONIAN DEMOCRAT.

R. JACOB, EDITOR & PROPRIETOR.

THE great necessity existing in the central

portion of the State for a Journal to advocate

and support the cause of Democracy and demo-

cratic principles, as well as to oppose "Coo-

Humby" to the citizens of this and adja-

cent counties to be reverted to by us at the

present time. The campaign of 1840 is fresh in

the memory of all of you; the result was disas-

trous and degrading to the Democracy of the

United States, and will always be remembered

as a dark spot upon the fair fame of Democratic

principles.

The Presidential canvass for 1844, has now

fairly opened—the crisis is near at hand, and it

behooves the Democracy to be on the alert—to

have their sentinels upon the outer walls to give

the alarm of approaching danger, and aver-

the deadly shaft aimed at our political as well

as civil liberty; and hurl from the high places

of honor and trust, those political aspirants

who were elevated by "Coo-Humby" excitements,

&c.; and prevent those Gladiatorial demagogues

who are now in the political arena, and would

sell their birthright for a mess of porridge; or,

in other words, would attempt to overthrow

our free institutions, by saddling upon the peo-

ple a United States Bank, from holding the reins

of our Government.

The JEFFERSONIAN DEMOCRAT will advocate

and support the principles bequeathed to the De-

mocracy by the immortal Jefferson, and sus-

tained and acted upon by a Madison, and a Jack-

son, &c., &c., and will support for the Presi-

dency, the nominee of the Democratic National

Convention. PRINCIPLES NOT MEN, will receive

the uncompromising support of the Editor. It

will also contain the news of the day, both For-

eign and Domestic, Literature, &c., &c.

We shall nail our flag to the mast, with the

hope that the Democracy of Attala will come

to the rescue, and give their undivided support

to assist us in our enterprise. We not un-

derstand the publishing of a political Journal

ignorant of the responsibility devolving upon

us. We have, besides being a practical print-

er, had some experience in publishing, &c.

The first number of the JEFFERSONIAN DEMO-

CRAT will be issued on the first Saturday in

January next, if sufficient support should be

received to warrant us in the undertaking.

Kosciusko, Miss., Nov. 22, 1843.

TERMS:—The JEFFERSONIAN DEMOCRAT will

be issued every Saturday morning, upon a Su-

per-Royal sheet, and forwarded to subscribers

at Three Dollars per annum, in advance.

The Mammoth Notion

Revived!

The largest Folio Newspaper in the world.

For only \$2 per year.

THE great revolution that is now going on

in the publishing of books, by the prompt

and extraordinarily cheap issues of an new and

valuable and entertaining works, seems to do a-

way in a very great measure, with the necessity

or policy of publishing a newspaper in the

Quarto or Octavo form. The subscriber has

therefore concluded to discontinue the quarto

edition of the Boston Notion, and hereafter that

paper will be issued in the

MAMMOTH FOLIO FORM.

A variety of new features will be introduced

to the Notion, which we feel confident will

make it highly attractive to every class of read-

ers.

A Farmer's Department will be added, under

which head we shall endeavor to give a valu-

able and seasonable collection of the best ar-

ticles that appear in the leading Agricultural

papers of this country and of England, the

leading Agricultural papers of England being

received at the office of the Notion by every

steamship.

Seasons by a Letter.—Under this head we

shall give, each week, a humorous and satirical

dissection upon the current topics of the day,

fashionable humbugs and charlatans, and popu-

lar fallacies of every description.

The Literary Department will fully maintain

its present high reputation. The best and ear-

liest selections of Tales, Romances, and Light
